## **This week's preacher:**

We welcome the Rt. Rev. Mark Beckwith, retired Bishop of Newark, to our pulpit this Sunday. Mark currently serves as Bishop liaison for Bishops United Against Gun Violence and as co-chair of Partnerships for Braver Angels, an organization that seeks to depolarize America.

## **This Week's Patio Conversation at 8:30 a.m.**

The Rt. Rev. Mark Beckwith, retired Bishop of Newark, will discuss his work with Partnerships for Braver Angels, an organization that works to get Red and Blue America into real, honest conversations with each other, to understand each others' viewpoints, to respectfully disagree with one another and even, perhaps, to find common ground.

"Braver Angels was inspired by the words of Abraham Lincoln, who not only called on Americans to summon the "better angels" of our nature — but called on us to find the *courage* needed to pursue a more perfect union, "with malice toward none, with charity for all, with firmness in the right."

To meet the current moment, at this time of national crisis, we need more than civility. We need to challenge ourselves to work together when we disagree. We need bravery."
